

CHC43315 CERTIFICATE IV IN MENTAL HEALTH

Course OUTLINE

This qualification focuses on the role of workers who provide self-directed recovery oriented support for people affected by mental illness and psychiatric disability. Work involves implementing community based programs and activities focusing on mental health, mental illness and psychiatric disability. Work is undertaken in a range of community contexts such as community based non-government organisations; home based outreach; centre-based programs; respite care; residential services, rehabilitation programs; clinical settings; or supporting people in employment. Work is carried out autonomously under the broad guidance of other practitioners and professionals.

To achieve this qualification, the candidate must have completed at least 80 hours of work as detailed in the Assessment Requirements of units of competency.

Entry REQUIREMENTS

There are no academic prerequisites for the CHC43315 Certificate IV in Mental Health. But you need to have reasonable English language, literacy and numeracy to successfully complete the course (LLN). In addition, a Police Clearance Certificate and a valid NDIS Worker screening check and Working with Children's Check is mandatory prior to your work placement. Therefore, you must undertake a Federal Police Check (AFP) or NSW Police check (it must be no less than 2 years old).
